

Temporary Construction/Sales Trailer

Permit Submittal Checklist

05/26 v1 BD-53

Minimum Documents Required:

- Permit Application
 - Folio # is required. See Miami Dade County Property Appraiser.
 - Notarized Owner and Contractor signature required.
- Contractor Registration
 - Contractor's current license and insurance documents shall be on file.
 - See "Contractor Registration" at www.cityofdoral.com/building.
- Survey and/or site plan showing the location of the proposed temporary trailer, accessible route/ramp/stair details and paved parking layout (for sales trailers only).
- Florida Building Commission approved plan for the manufactured building (must be approved for use in the HVHZ) and tie down details.
- Sub permit applications for utility connections as applicable.
- Miami-Dade County municipal permit approval is required.
- Notice of Commencement (NOC)
 - NOC is required prior to first inspection for work over \$5000.

Plan Reviews Required: The following disciplines will review the plans for compliance with code.

- Building
- Electrical
- Flood
- Mechanical
- Plumbing
- Structural
- Zoning

APPLY IN PERSON

- All plans shall be signed and sealed by the Design Professional.
- Hard copy documents may add 2-3 business days for scanning and processing.

APPLY ONLINE (CSS)

- Please create a contact in the permitting system at www.cityofdoral.com/permitting.
- Submit using the tutorial videos provided at www.cityofdoral.com/building.
- In the search bar, type Demolition. Select **Residential** or **Commercial** as applicable.
- All plan files must be digitally signed by Design Professional.

Important info, forms and links can be found at www.cityofdoral.com/building.

Thank you for submitting your application to the City of Doral Building Department.

We look forward to being able to serve you.
