FY 2021 GENERAL FUND REVENUE

ADOPTED FY 2020-21 BUDGET HIGHLIGHTS

The FY 2020-21 Adopted Budget contains funding for on-going services to the community. The following are some of the highlights:

- Revitalizing Police Department's Tasers
- Construction and design of a new elevator at the Police Department Facility
- Continue roadway construction, milling resurfacing, and beautification projects
- Citywide intersection improvements
- Stormwater improvements
- Playground Turf replacement for Doral Meadow, Downtown Doral, and Morgan Levy parks
- Continued canal stabilization and maintenance projects
- Continue the City's safety and security technologies projects
- Catch Basin Maintenance Program
- Integration by the Building Department to an online permitting system that is outward facing
- Procure data analytics platform that leverages artificial intelligence (AI) to help the City understand citizen feedback for better governance and communication
- Continue quarterly mailing of newsletter to all homes to strengthen communication campaigns
- Expand advertising, marketing, and strategic partnerships to strengthen branding and business attraction in local, regional, and new markets
- Computer device upgrades for Departments to optimize use of new technology and improve efficiency
- Citywide implementation of smart system solutions that will enhance transparency of City operations
- Improve customer service through training programs

FROM THE CITY MANAGER

To the Citizens of the City of Doral:

I am pleased to present herein the City's FY 2021 Adopted Budget in Brief. The information presented here is derived from the City's FY 2021 Adopted Operating and Capital Budget available on the City's website: www.cityofdoral.com. The FY 2021 Operating and Capital Budget is in the amount of \$76,182,225 across all funds (General Fund, Transportation Fund, Park Impact Fee Fund, Police Impact Fee Fund, Peoples Transportation Plan Fund, Building Technology Fund, Public Art Program Fund, Debt Service Fund, Capital Improvement Fund, Park General Obligation Bond Series 2019, Vehicle Replacement Fund, and Stormwater Fund).

Doral is a business-friendly city that facilitates investment and growth through a commitment to customer service, efficiency, transparency, technology, and communication. Recognized as an epicenter of international trade and commerce, Doral is well known as an excellent place to do business. With a business district among the most vibrant in South Florida, and the Miami Free Zone offering duty-free warehouse space that attracts international trade, it's no wonder that Doral's economy represents many different sectors including logistics, health and hospitality, flower imports, and the number one tile district in the country.

With more than 70,000 residents currently living in Doral and recognizing that the City will continue to grow overtime, the goal is to have a park within a short walking distance from most residences that serves the recreational needs of residents of all ages, interests, and capabilities. Since voting in favor of the Park Bond on November 6, 2018, City Council and Staff have been fast at work to provide the quality parks desired. Park projects and improvements funded by this bond include green spaces, nature areas, sports fields, play areas, infrastructure, aquatics facility,

community center, cultural amenities, walking/biking trails, specialty recreation areas, and safety features.

In addition to addressing the funding commitments outlined in the FY 2020 budget, the adopted FY 2021 budget will allow for strategic new positions, infrastructure investment, and enhanced programming aligned with the priorities enumerated in the City's vision, mission, core values, and strategic plan. The overall budget is prepared to meet the criteria of the Council's strategic priorities. It also reflects administration's commitment to sound financial and operational practices that realizes the growing community's needs and expectations of exceptional services.

The City of Doral is committed to its mission "To serve our community by relentlessly pursuing the highest quality of life through the delivery of efficient, sustainable, transparent, ethical, and accountable government" making Doral the premier place people are choosing "to Live, Work, Learn, Play, and Invest".

The FY 2021 adopted budget is based on the proposed millage rate of 1.90 mills. This maintains the current millage rate of 1.90 for the sixth consecutive year and produces a structurally balanced budget for the fourth straight year.

Our tax dollars are improving the City by:

- ✓ Investing in police outreach initiatives and increasing public safety
- ✓ Building new parks for its families
- ✓ Connecting roads, adding sidewalks, and building out critical infrastructure

For FY 2021, the City's principal fund - General Fund is adopted at \$61,650,102, or 81% of the total budget. This budget is moderately lower than Fiscal Year 2020 adopted budget of \$62,487,336, with a decrease of \$837,234, or 1.3%.

As your devoted City Manager, I would like to express my sincere appreciation to the members of the City Council for their continued guidance and support throughout the development of this proposed budget. The FY 2021 Proposed Budget was formally presented to City Council at the first public hearing on September 08, 2020 and adopted at the second public hearing on September 22, 2020 at City Hall. I look forward to working with you, our neighbors, and our team of public servants as we move forward as a City into our next fiscal year.

Albert P. Childress

City Manager

WHAT'S NEXT...

On November 6, 2018, Doral residents voted YES on the General Obligation Parks Bond for \$150 million that would help fund the construction of future Doral park projects. This bond will help provide the residents of Doral with access to numerous new recreation and leisure opportunities city-wide.

Parks projects and improvements include: green spaces, nature areas, sports fields, play areas, infrastructure, aquatics facility, community center, cultural amenities, walking/biking trails, specialty recreation areas, and safety features.
