Addendum No. 1

July 8, 2025

The original Invitation to Bid (ITB) documents shall remain in full force and effect, except as modified herein, which shall take precedence over any contrary provisions in the prior documents.

- I. The email address listed on page 3, paragraph 2 is incorrect. Correct email address is procurement@cityofdoral.com
- II. Clarification: Bidders of ITB-2025-15 do not have to provide pricing for everything in the Bid, you can provide pricing only for those products or services you do provide. The city will review the bid, and if responsive, may accept it.

If you should have any questions regarding this addendum, please do not hesitate to contact roman.martinez@cityofdoral.com.

Sincerely,

Roman Martinez, MBA, CPPO, CPPB
